*Mrs. Donald J. McCall*

As we grow older, we will recall many memories of our high school years. One of the most valued of these memories will be that of a teacher whose inspiration continues to grow more meaningful and more appreciated as time passes.

As a teacher, she has instilled in us a desire to learn and to succeed. As the Student Council sponsor she has worked to strengthen school spirit. As a person, she has always been a true friend, unselfishly giving of her time and knowledge to help us.

Many of us owe her a debt that can never be paid. We can only express our thanks.

For her willingness to help us and for her patience and understanding and her inspiration to all, we of the Annual Staff dedicate Volume XXIV of the IMPERSONATOR to Mrs. McCall.

*Mr. Louis P. Guigou*

Much time and work must be done by others other than our principal and teachers to give us an education. Mr. L. P. Guigou is one who has done much to make possible our educational system in Valdese.

As early as 1910 his ambition was to build an interest for a school in Valdese. He obtained the plans for the first school building in Valdese. In 1920 Mr. Guigou was appointed a member of the Valdese School Board, and has served continuously since that time. Through all his efforts, Mr. Guigou has greatly aided the students of Valdese High in receiving a better education.

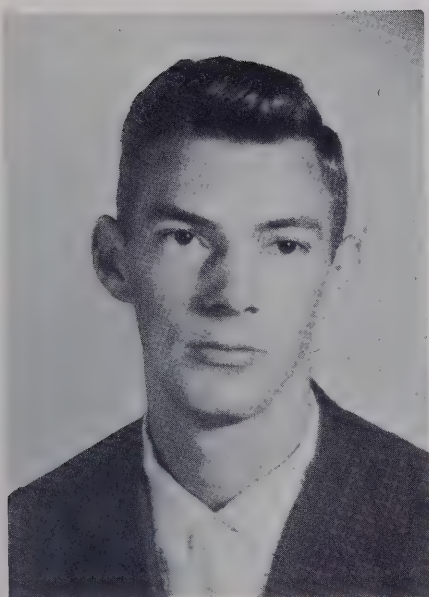

For his devoted interest in education and for his hard work spent in improving our school, we of the Annual Staff wish to express our deep appreciation to Mr. Guigou.

MR. G. D. WILSON  
Mars Hill; B.S., Masters, Appalachian State Teachers College; Principal.

This year the faculty has been headed by a new principal, Mr. G. D. Wilson. Mr. Wilson has been a friend and advisor to most of the high school students for more than just this year, as he was formerly principal of the elementary school. We are fortunate to have such an able leader to direct the various phases of our school life. For his devoted work the IMPERSONATOR staff, on behalf of the Student Body, offer our thanks to Mr. Wilson.

JUNIORS WHO WERE INITIATED INTO THE BETA CLUB

The junior year in high school is one which all students should look forward to. Juniors truly become a part of the school in this year, which is the next to the last step in receiving a V.H.S. diploma. For the first time juniors begin to really take part in the extracurricular activities of the school: joining clubs; becoming club officers; participating in varsity sports; selling candy, "Tiger" sweatshirts, and magazines to raise funds; decorating for the Junior-Senior banquet.

Although one more year remains, juniors must begin to plan for the future. They must decide what colleges they want to attend and what vocations they want to follow and begin now to work hard to meet these goals.

Juniors gain more responsibility as they become "upperclassmen" and must prepare themselves to become seniors who will set good examples for others to follow. Therefore the junior year is a challenge to prepare for the more important years to come.

Each year the homecoming festivities highlight the football season.

Each senior member of the football team sponsors a girl to compete for the title of Homecoming Queen. The Student Body selects the lucky girl, and she is crowned during the halftime ceremonies of the annual homecoming game. Reigning for 1962-63 is Miss Leith Garrou, sponsored by Truman Harris.

"TIGER TIME"

"SANTA'S TOYLAND"

The Student Council had a tremendous success this year. The following projects were sponsored: the Student Council Newsbulletin, a school spirit campaign, program sales at the football games, the weekly radio program "Tiger Time," and a Christmas dance. Miss Sue Barnes reigned at the Christmas dance which was based on the theme "Santa's Toyland." Through the efforts of many people in decorating the gymnasium and presenting a program, this dance was a colossal event. In co-ordinating school activities, the Student Council has certainly encouraged school spirit through its hard work.

We hope to pass on what we have learned to future members of the Annual Staff so that the annual can be improved. We wish to express our thanks to Mrs. McCall, our sponsor, for her advice and to the student body and faculty for their co-operation. We hope that this "history book" will help everyone to recall his high school memories.
